

**NOTICE**  
**(e-Consortium/Digital Library)**

Ref.: GLB/RO/2020/008

Date: 05.02.2020

This is to inform that in view of academic & professional enhancement of faculty/students and to provide them a platform for much more meaningful resources, Dr. APJ Abdul Kalam Technical University, Lucknow has taken initiative and developed an e-Consortium/Digital Library for all the faculty & students of University. Through this e-Consortium/Digital Library, faculty/students would be able to access the Books, Journals, Research Papers, Case Studies etc.

Since, this is a paid service and its access cannot be granted to all as open-access, hence University is giving access after validating the email ids & mobile numbers. In this regard, University also sent SMS directly to the students. But it has been observed that several students have still not updated/validated their email id & mobile nos. at AKTU ERP so far.

**Hence, all students are directed to update/validate his/her mobile no. & email id at AKTU ERP latest by 07.02.2020 for sure failing which he/she may not be able to access the e-Consortium/Digital Library and/or University may hold his/her result of Odd Sem. 2019-20 in the interest of the students.**
