Regarding Online Exit Survey from 2021 Passing out Students

All Final Year Students (2020-21)

With a belief that always there is a scope of improvement; the institute had been taking feedback/suggestions/inputs of all stakeholders on time-to-time basis. This is the time when you have almost completed your academics with the institute and to share your overall feedback/opinion and/or suggestions on several points which definitely help us to self examine the things.

As due to pandemic COVID-19, all the academic activities including University Examinations are being taken up online. Similarly it has been decided to take the Exit Survey from 2021 passing-out students online.

This Exit Survey enables us in several ways. Hence, it is **MANDATORY** for all the students to fill this online Exist Survey before commencement of External Practical Exam through the link as mentioned hereunder –

Vipin Dhiman
Registrar
